

SEWER-CIDE™

ULTRA-CONCENTRATED SEWER SOLVENT POWDER

DESCRIPTION

Sewer-Cide is a fast-acting sewerline opener that will attack and dissolve the toughest blockages caused by roots, grease, tar, paper, trash, mud, bags, debris, hair, and other organic matter.

Never before has there been a material formulated that will activate, attack, and dissolve stubborn roots and organic matter as rapidly as SEWER-CIDE. Fortified to double strength with exclusive additives, you will probably find that only half the usual amount of material is required where SEWER-CIDE is used.

BENEFITS

- USDA L-1 For use in federally inspected meat and poultry plants
- All surfactants are biodegradable
- Non-flammable

APPLICATION

Pour a small amount of SEWER-CIDE into open sewer. Be sure to use less SEWER-CIDE than you would an ordinary sewer solvent. Watch the water flow at a point below the blockage, After 15 minutes, run plenty of water through drain. Use at regular intervals to keep sewers open.

Do not use around open flame. Do not add hot water. Do not stand over opening after pouring.

Note: Do not contact aluminum, zinc, tin, magnesium, galvanized or painted surfaces.

SPECIFICATIONS

pH@ 25°C (ASTM-E-70)	>13.0
Color (visual)	Off white with Aluminium pieces
Appearance @ 25°C (visual)	Free flowing powder
Odor	None
Health/Flammability/Reactivity.....	3/0/1
Personal Protection	D - Face shield, Gloves, Apron
