

Sewer back-ups can be costly and dangerous!! Power through clogs and restore flow with

SEWER-CIDE™

ULTRA-CONCENTRATED SEWER SOLVENT

BURNS THROUGH BLOCKAGES.
When added to water, Sewercide goes straight to the clog, produces temperatures of 300°F and sustains those temperatures for 15 minutes.

Sewer-Cide is a fast-acting sewerline opener that will attack and dissolve roots, grease, tar, paper, trash, mud, bags, debris, hair, and other organic matter.
