

FROM THE RESEARCH &  
DEVELOPMENT LABORATORIES  
OF MOMAR, INC.

# Twenty-S

**Super Industrial Strength  
Safety Solvent & Degreaser**

Correspondence Address:  
P O Box 2257  
Clareinch  
7740

## Benefits:

- \* Biodegradable
- \* Concentrated
- \* Non-Corrosive
- \* Non-Flammable
- \* Powerful and fast-acting.
- \* Leaves no film or residue.
- \* Has a U.S.D.A. rating of C1.
- \* Emulsifies to rapidly clean heavy deposits of grease, oil, and soil.

## Application:

To clean industrial machinery, forklifts, greasy lathes, and printing presses: Mix 40 to 80 ml of Twenty-S per 5 litres of water. Using a mop, brush, sponge, rag, or hand held sprayer, apply to surface and rinse with water. Relubricate with LuBest lubricants where required

To clean walls and concrete floors: Mix 40 to 80 ml of Twenty-S per 5 litres of water. Mop or scrub and rinse with water. For automatic floor scrubbers, add 40 to 80 ml per 5 litres of water in the solution tank and scrub the floor in a normal manner.

For industrial pressure washing: Mix 40 to 80 ml of Twenty-S per 5 litres of water in the solution tank or set metering device to correspond. Pressure wash in a normal manner and rinse thoroughly with water.

To clean locker rooms, restrooms, and shower areas: Mix 40 to 80 ml of Twenty-S per 5 litres water. Spray on and brush in heavily soiled areas, wipe clean.

## Specifications:

pH @ 25°C (ASTM-E-70) .....	13.0-14.0
Density @ 25°C (ASTM-D-287) .....	1.01 gm per cc
Color (visual) .....	<b>Purplish blue</b>
Appearance @ 25°C (visual) .....	Clear
Foam Height .....	High
Percent Solids .....	15.0-16.0
Flash Point .....	Non-Flammable
Odor .....	Butyl
Health / Flammability / Reactivity .....	2/0/0
